William Stanislaus Hoffman

DEDICATION

DURING the past four years we have learned many things. The sciences, the arts, the languages all have had a place in our education. These are things which might be measured more or less accurately. But there have been other more subtle influences which have aided in our final formation, and which do not admit of measurement.

One of the strong lasting influences has been that of Coach William S. Hoffman. Since his coming to Campion, more than three generations of boys have experienced his kindly advice, his calm manner, his quiet manliness, his forceful strength of character. And whether it were on the field, or in the scholarly atmosphere of his office, they have carried away with them the budding hope that they might be like him.

To have thus brought the impress of his character to bear on the thousands who have known him, and learned from him, through thirty five years is Coach Hoffman's contribution to Campion; and it is an important contribution.

It is our privilege, we feel, to acknowledge by this dedication the value of his part in our training.

REV. THOMAS J. STEMPER, S.J.
President

The President's Message:

GOING to school is what I might call a profession. A large part of that profession concerns itself with the serious business of learning how to earn a living. But the student should learn something of far greater value; he should learn how to live.

You, seniors, I like to believe, have learned that lesson in your years at Campion. To have learned how to live means that you have made Christ a part, an important part of your lives. He must continue to dominate your every hope, your every aspiration. His way of life must be your way. There is none other.

Campion sends you forth on the road of life with pride and with great expectations. She sends you with God's blessing.

R. A. BERNERT, S.J.
Principal

Although both our principals, Fr. R. A. Bernert, S.J., and his assistant, Fr. C. M. Reinert, S.J., stepped into unfamiliar posts last August, no one can deny that they had the sure ease of veterans in solving the many and varied problems that confronted them through the course of the year.

R. F. DALEY, S.J.
Registrar

No year book would be complete without some mention of those who assume the difficult burden of directing and supervising the operational functions involved in keeping alive the spiritual and material ends of a school.

Fr. T. J. Stemper, S.J., president for the past five years, has again successfully directed the business affairs of Campion. Fr. E. W. Courtney, S.J., as superintendent, has very admirably handled the responsibility for Campion's material upkeep.

What we owe to those who have unselfishly helped us through the most important years of our lives is more than we can properly express in words. We shall always strive, however, to show them our appreciation by our earnest attempt at being a credit to Campion, its standards and its ideals.

SENIOR LEADERS

James P. Hessburg
Editor, The Campion Knight

Through the tireless efforts of our editors, Dave Keeney and Jim Hessburg of the 'ETTE and KNIGHT respectively, the senior class acquired a lasting memorial and a fitting tribute to its fame.

In the first semester Jim Williamson, John Vogel, Dave Doyle, and Dick Hogan were elected to posts in the "Voice" of the student body, the conclave . . . Captain Eddie Beyer, by his fine leadership and determined line play, sparked the football squad to a thrilling season.

In the second semester we began with almost the same crew in the conclave, Jack Coupe spearing election honors, this time . . . Colonel Ed Fitzgerald, the Eisenhower of the ROTC, was chosen, and ably fulfilled his duties as battalion commander . . . Expert ball handling and deadly long shots was the platform on which Jack Coupe was elected captain of the Campion cagers by his team mates.

The Thinker

CAMPION, like every other institution, has commoners. They come in the form of freshmen, sophomores, and juniors. Because they are, shall we say, inferior, there is no reason to leave them out of our yearbook. Deny it if you will, they are still as human as seniors.

Note the eager forward expression of the freshmen—the practiced eye of the stamp collector, the vitality of the sturdy hiker. That's the way they come, the raw material.

In the sophs, a bit of the dash and fire is gone. But they all go out and make the varsity so they don't miss it.

A glance will reveal a listless expression in the eyes of the juniors. Gone is the love of labor. Only a bitter aversion for it remains.

THE HOFFMEN of 1946

Coach Hoffman

Despite the scarcity of returning lettermen and the inexperience of many of the prospects, Coach Hoffman and ass't. Coach Krieg were able to field another smooth functioning unit that waded through a stiff eight-game schedule with a record of six victories and two defeats. The squad was typical of Campion teams of the past with the accent on teamwork and hustle. It scaled the heights on Homecoming Day to trounce highly rated St. Ambrose. This left no doubt about the Knites' spirit and determination.

Hilltoppers Toppled by Knites in Opener 7 - 0

Hoffmen Open Bag of Tricks, Dazzle Ambrose, 27-7, in Scoring Spree

November 7, Campion—On a muddy field, with an enthusiastic Homecoming crowd looking on, the rejuvenated Knites snapped their two game losing streak by trimming a formidable St. Ambrose outfit 27 to 7.

Displaying plenty of grinding power, the Knites rushed across two touchdowns in the first quarter, both of which came on a smasher by Miller Bransfield. A blocked punt set up the first tally and a brilliant 25 yard scamper by Jack Leonard was a major in the second goalward drive.

A 55 yard touchdown sprint by Bevenour, the visitors' right halfback, cut the Knites' margin to 7 points at the half.

A long heave from Doyle to Conlin set up the third marker which occurred shortly after when Doyle passed to Pechous in the end zone. Another aerial from Doyle to Pechous rounded out the day's scoring in the closing period.

Logan Succumbs, 20-0

October 19, Campion Field—After Campion's ground assault had been hampered by a subborn Logan forward wall, Dave Doyle uncorked three touchdown passes to spark the Knites to a resounding 20 to 0 triumph. Following a scoreless first quarter, the Knites struck suddenly through the air on a long heave from Dave Doyle to Ed Conlin after Harpring had put the pigskin in scoring position with an intercepted pass.

Before five minutes of the second half had elapsed, Campion had scored again, this time with Harpring on the receiving end of one of Doyle's aerials.

The Knites applied the crusher in the fourth quarter when Doyle lofted a 30 yard beauty to Grigsby for a touchdown to climax an 80 yard drive to paydirt.

Aquinas, Injuries, Halt Knites, 24-13

Nov. 4, La Crosse, Wis.—With a second half spurt the Aquinas Blugolds rallied to defeat an injured Campion eleven, 24-13.

Rendler and Wanner carried the ball down to the Knite 29 early in the first period. Rendler rifled a pass to Graf who ran it over from the 5. Murphy's placement was wide. Campion evened matters on a 70 yard drive highlighted by two passes and a 15 yard run. Pechous scored an a quarterback sneak and Doyle booted the point. After a Blugold fumble in the second period Pechous hit Doyle with a pass down the middle to the 3. It was Doyle this time off tackle to score. In the third quarter Rendler flipped a pass to Wanner on the 7 for a score. During the final frame Wanner returned a Campion punt to midfield where Rendler reeled off 32 yards. In four running plays the Blugolds tallied again.

Gubs' Passes Win, 13-6

Campion Field—Campion ran up against an alert Loras Academy team today, and came out on the short end of a 13-16 score. After Gallrado had given Loras a first down on the Knites' 25, Schluester plunged to the 8, and fumbled. Cagney pounced on the ball. Four plays later Cagney punted to the Loras 30. Gallrado returned to midfield and fumbled. the half ended in a scoreless tie.

Bransfield Outsmarts Generals, 19-7

Oct. 12, Aurora, Ill.—Relying mainly on a devastating running attack, Campion Knites took Marmion Academy 19-7 before a small crowd. Campion scored its first touchdown before the crowd has settled in the seats. Marmion fumbled on the first play from scrimmage with the Knites recovering on the Cadet 28. Campion drove to the 5 yard stripe, and Bransfield plunged over, giving the Knites a 6-0 lead after only 4 minutes. The Knites scored once more when Doyle went over on a quarterback sneak climaxing a 57 yard drive. The second and third periods were scoreless. Early in the 4th quarter the Cadets recovered a fumble and hit paydirt with Quigley bucking over from the 2. The Knites added a touchdown late in the quarter on a 16 yard dash by Harpring. Bransfield powered his way over the center of the line for the extra point.

Russo's Scoring Threats Stopped Cold; Conlin's Theft of M. U. Pass Starts Rally

September 28, Campion Field—Taking quick advantage of an intercepted pass, the Knites drove 55 yards to score the lone tally of the contest, which was the margin of victory as they edged a highly regarded Marquette eleven 7 to 0.

During the scoreless first half Marquette with the aid of Russo, hard running fullback, came close to hitting paydirt on two occasions, but fumbles at critical times stopped these scoring threats.

Ed Conlin set the stage for the Knites' goalward drive when he intercepted a Marquette pass on Campion's 45 yard line, and from there the Knites put on a sustained 55 yard march, with Bransfield finally lugging it over on two smashes from the 16 yard yard line. A pass from Coupe to Pechous netted the extra point to give the Knites a 7 to 0 lead which they never relinquished.

Old Score Settled; St. Mary's Downed, 14-6

November 16, Campion Field: With the murcury hovering near the freezing mark, the Knites rounded out the successful 1946 football campaign as they spotted St. Mary's of Menasha six points and then came on to win 14 to 6. This victory made Campion's final record six wins to two setbacks.

St. Mary's pushed across their lone touchdown midway in the first period as Zelinski, the Zephyrs' quarterback, scooted 15 yards to paydirt on a very deceptive quarterback sneak.

After the Knites had recovered a blocked punt, Dave Doyle whipped a payoff pitch to Charley Pechous which gave Campion a 7 to 6 advantage at the intermission.

The Knites put the game on ice in the third quarter as Pechous plowed six yards to score, after which Campion's defense was sufficient to protect their lead.

Scots Threaten, Wilt, Lose, 13-6, in Final

October 6, Campion Field—In an unexpectedly close fray, the Knites had to overcome an early 6 point deficit to nose out an underrated McDonell team 13 to 6.

McDonell bounced into an early first period lead as they took the initial kick-off and stampeded 75 yards to score. Rhomberg and Fatum broke through to block the conversion attempt and keep the margin at 6 points. Campion knotted the count in the second quarter on an 11 yard smash by Miller Bransfield climaxing a 55 yard drive to paydirt. An important factor in their jaunt was two well executed end around plays by Bob Cagney for a total of 33 yards. The try for the conversion failed.

Shortly after the start of the fourth quarter the Knites put on their victory march with Harpring skirting over from the 5 to end a 45 yard drive to a touchdown. Doyle passed to Pechous for the extra point to raise the count to 13 to 6.

BASKETBALL

The Knites opened the season in promising fashion as they reeled off four successive victories. Thereafter, despite the best efforts of Coach Hoffman and the team, Campion suffered nine defeats in the next thirteen contests to end with a fair record of seven wins and nine setbacks.

Two quintets that caused the Knites the most trouble were Aquinas and St. Mary's of Menasha. Each defeated Campion twice. However, there were a few high spots during the season, probably the most satisfying of which was the Knites' stunning victory over a potent Loras quintet that had previously beaten Campion down at Dubuque.

The mainstays of the Knite squad were Jack Coupe and Jack Rhomberg. Coupe was always a threat with his accurate set shots swishing through the hoop. In later games he served as a good steadying influence on some of the younger players. Rhomberg was the team's high scorer and most dependable on rebounds.

So although the team's record was not a howling success, some solace can be found in the fact that the experience gained this season can serve as a foundation for a successful campaign next year.

THE SEASON

Dec. 12—An enthusiastic "going home" crowd looked on as the Knites grabbed an early lead here and then coasted to a 34-19 triumph over previously unbeaten Cotter High from Winona. Scoring honors for Campion went to Jack Coupe with 5 field goals and 1 charity toss. The Knites displayed a tight defense as Jack Rhomberg and Vic Rosenberger controlled both backboards.

Jan. 17—A towering Knite team in their first post-holiday appearance outshot a spirited Lansing squad 47-26. It was 2 straight for the Hoffmen as the Lansing outfit could not combat their stratosphere passing and rebound work. Some sparkling shooting highlighted the second half. Rhomberg with 13 and Fishback and Fitzgerald with 9 points each led the winners.

Capt. Jack Coupe

Jan. 23—After overcoming an early 3 point deficit, the Knites were never headed, as they handed Lansing High its second trouncing with a week, 26-14. Lansing played a hustling game but mixed plenty of laughs with their basketball. The Knites came to life in the fourth quarter and rolled 10 points through the hoop to win going away. Jack Coupe's lay up shot closed the scoring.

Jan. 26—The Campion Knites were defeated at Winona, Minnesota, by Cotter High for the first time this year, 36-30. It was a game which could have gone either way but Cotter came through in the closing minutes to clinch the game. Rhomberg's 4 baskets in the second quarter put the Knites ahead with a comfortable 20-14 lead. Cotter closed the gap in the second half. Rhomberg led with 13.

Jan. 29—The Hoffmen traveled to La Crosse to suffer their second straight setback within three days as they dropped a 51-40 contest to Aquinas. The Blugolds' high-powered, well balanced scoring kept the Knites back on their heels throughout the entire contest . . . Aquinas took advantage of their home floor as well as of the Knites' spotty passing to break away to an early lead. Rhomberg with 18 kept us in.

Feb. 9—Hopes of the Knite cagers suffered a severe setback at Chippewa Falls when the McDonell Scots sprang a 35-29 surprise. Saunier was out in front of the scorers with 10 points to his credit. But this was not enough. Sparked by Coupe and Saunier the Knites got off to a fast start, and were out in front at the end of the 1st quarter, but the Scots closed the gap and led at half-time.

Feb. 12—Jack Coupe's 11 point contribution was insufficient to stem the flood of points poured in by the Badgers as they swept over the Knites 46-34. Saunier was close on Coupe's heels with 7 markers. Borne of the Badgers led the scoring column with a total of 15 points. The fast break employed by the town team eventually proved too much for the Knites.

Feb. 15—Despite a last minute rally, the best the Knites could do was to make it close, as they were defeated 37-35 on the home court by Aquinas. This was the Knites' fifth consecutive setback. Vic Rosenberger's height was insufficient against the Blugold efficiency. Aquinas drove constantly at a terrific rate, never slacking their pace. Their superb condition told.

Mr. Lee Krieg
Ass't. coach

Feb. 23—Led by the stellar performance of Torchy Clark, St. Mary's quint outlasted their Knite visitors in a fast moving fray on a 38-31 count. The pace set by Clark and company was too fast for the Knites and after the opening of the third quarter the outcome was never in doubt. Coupe and Rhomberg were high scorers with 13 and 10 points.

Feb. 24—In the most impressive game to date the Knites trounced a formidable Savanna High quintet 42-26. Prior to this defeat Savanna boasted 14 wins out of 17 games. Coach Hoffman pulled a surprise in starting a revamped lineup. As things later panned out, he knew what he was doing. The starters played Savanna on almost even terms. Scoring honors were fairly well divided.

Feb. 26—Eager to avenge a defeat dealt to them earlier in the season, a quick-breaking Savanna combine dusted their hoops with a bucket barrage which tripped a visiting Knite five 51-40. Savanna was never headed as they posted 13-11, 25-20 and 38-29 scores at the quarters. The Knites were able to keep within shouting distance on the 16 point efforts of Jack Rhomberg.

Feb. 19—Sparked by the sharp shooting of Jim Rose, the Knites broke a 6 game losing streak as they trounced a tall but inept Monona quintet by a decisive 38-14 score. The highlight of the contest was the performance of Jim Rose who broke through the Monona defense for repeated scores. He racked up 21 points during the game, the highest individual score seen on the home floor.

Mar. 1—In the most bitterly fought game of the season, and before a packed gym, the Knites staved off a last second rally to win over Loras 34-33. The game reached its peak of excitement in the last half minute when the Gubs scored 7 points and almost took the decision. Rhomberg and Rose again topped the scoring column for the Knites with 13 and 11 points respectively.

Mar. 8—Campion's hopes for closing the basketball season with a victory were blasted when a classy St. Mary's team put on a scoring spurt in the third quarter to deal the Knites a 37-27 trimming. The first half which saw both teams far below their best form was a slow moving affair. The pace quickened in the third quarter. Rhomberg in his last appearance donated 15 points to Campion's total.

Dick Spence
Manager

Mar. 2—Coach Hoffman's cage minions gained a measure of revenge for a previous defeat at the hands of McDonell by smothering the Scotsmen 35-23. Rhomberg was high point man with 14. Rose was right behind him with 11. After a slow start the Knites put on the power and rode through to a decisive lead. They were never headed by the Scots.

Feb. 7—Capitalizing on its deadly setshot accuracy a tricky Loras cage combine outlasted a stubborn Campion quintet 28-24. The contest was rather slow-moving throughout, but it proved to be a nightmare for the visitors who could barely find the hoop. The Knites were dominating the ball with a smooth working pass system but their shots were on the frigid side. Coupe led with 8.

TRACK

With the return of such standouts as Dave Doyle, shown winning the 440, Jim Harpring throwing the discus, Jack Rhomberg, putting the shot, there is good reason to expect a winning track team this year. Besides those shown, other returning lettermen, Frank Gruesen and Stan Grigsby, outstanding short-distance performers of last year's squad, and Dick Spence, our 880 specialist, are expected to repeat their stellar performances of last year. These men will form the nucleus of a squad rich with promising newcomers.

Rhombie ogres one

An eager crowd of approximately 130 hopefuls went into action, determined to find a berth on this year's track squad. With seven returning lettermen and a host of promising fledglings, prospects for a clean slate this year seemed brighter than ever before. Among the more outstanding newcomers are Jim Rose and Bob Cagney vying for honors in the pole vault. John Walker will make a good distance man, and Pete Maloy looks very good in the broad jump and short distances. Three matches have been tentatively scheduled thus far. Platteville, Loras, and Aquinas are expected to furnish the opposition in these meets. However, with such an imposing array of stars, Coach Hoffman expects little trouble in these accounts. Both Coach Hoffman and Coach Krieg certainly deserve the praise of the student body for the wonderful work they are doing. With a combination like this, the prospects are not only bright but dazzling.

GOLF

On the golf course, early this year, a fast moving seven day tournament started the season off on the right note. Sixteen determined men took the field and of these, Van Fishback, Jack Bougearel, Tony Sullivan, and Bob Walters remained as opponents in the semi-finals. Eighteen holes were covered, scores counted up, and it was Sullivan vs. Fishback for the final play. Tony overcame Van in a thirty-six hole match and took the tournament title.

CHEERLEADERS

The driving force behind Campion's team is the enthusiastic support of the student body. Our cheerleader did an excellent job in mustering this support.

Well done was their work in arranging the pre-game rallies, cheer sections, and affairs such as the annual bonfire.

Jim Radtke as head cheerleader did a good job which would have been impossible without Jack Broderick, Jim Morris, Art McGinnis, Paul Downey, Dan Gellerup, and Em Dakoske.

Sacrificing some of their free time and practicing faithfully all seven were soon able to act as one and bring out loud, well-coordinated cheers. They were a very important unit; and they satisfied for the responsibility placed in them.

With Jerry Adler lending his weight at fullback, Becker and Froehlke cavorting at the halves, and Fitzgerald calling the shots, the Cee Jay backfield gave their opponents many a full afternoon of trouble. The forward wall was strengthened with Zimmer and Stoeckinger at the ends, Molidor and Theisen at the guards, and Beckman and Ryan at the tackles. Paonessa handled the center slot in capable fashion. The season ended with 4 wins, 1 loss and 1 tie.

Stature and weight the Midgets might lack, but their drive and enthusiasm more than make up for that. McKeown, Lawler, Ginsterblum were the men who aided most in the Midget whirl through a rough schedule for a record of 5 wins and 2 losses. INTRA

FOOTBALL

Sportsmanship—where else can you develop this except on a football field, the hardwood court, or on a baseball diamon? For this purpose and many others the intramural system is carried on at Campion. Under this system the fellows are able to discover the need of team work, the competitive spirit, how to think quickly, and, last but not least, develop themselves physically as well as mentally. A person has to learn early in life how to take hard knocks. He can learn this lesson best in sports because here he learns to "take" as well as to "give."

This year the intramural athletic program was under the direction of Messrs. J. F. Meara, S.J., and R. G. Pates, S.J., in the senior division.

MURALS

From early January until late March, the senior gymnasium was the free-time mecca for everybody. There, throughout the season, 150 intramural league games were played, many of them nip and tuck battles with trophies and awards for the victorious few. With the end of the season came the annual tournament; and the games rivalled the varsity's for thrill and excitement.

The purpose of the leagues is to provide opportunity for the entire student body to participate in organized games. This brings each student a knowledge of the game and the necessary sportsmanship that goes with it, presenting the needed balance between the classroom and the gymnasium, the mental and physical development.

Five classifications covered the ability of every member of the division. Men were selected for the various classes according to their ability, size, and experience.

Mr. R. G. Pates, S.J., and his assistant managers deserve credit for an excellent season's work.

Under the command of Captain Edmund C. Sullivan, assisted by M/Sgt. Joseph Elliott and 1st Sgt. Paul Pinard, R.O.T.C. training at Campion retained its honor rank.

The purpose of the military discipline is not to develop a body of military-minded soldiers, but to make self-reliant, obedient men. The cadets learn to take orders willingly, and to execute them exactly. Cadet officers, on the other hand, learn to discipline a group of their own age, and thus gain valuable training in leadership. Precision drill is practiced under the supervision of M/Sgt. Elliott.

The cadet battalion with its honor rank is a tribute to the fine sense of responsibility and leadership of the headquarters staff.

The Campion R.O.T.C. band, instructed by Prof. S. S. de Ranitz and commanded by Cadet Capt. Thomas Zuber, at all times was a necessary adjunct to the snappy marching of the battalion. In the past five years, the band has been awarded the Jewett trophy three times. This trophy is an annual award presented to the best drilled company in the battalion. The band is truly the sparkplug of the battalion.

GLASP the hands of the elite . . . here we pay homage to the extra-curricular activities, the very soul of Campion . . . first there's the Conclave, officers-elect of the Sodality . . . the Band which produces music to sooth the savage beast . . . the Choir, sleepy-eyed vocalists at daily Mass . . . the Glee Club, almost as blissful as the name would lead you to believe . . . KVOX, Campion's radio station whose too rare appearances are always appreciated . . . the Campionette, a ray of sunshine in the students' lives . . . the Knight, the pictorial record of the high-lights, and some of the low spots, of the year . . . Cheerleaders, the pep in a varsity game . . . and last, but not least, the Bellarmine Society, whose members argued themselves into the Catholic Championship.

The student conclave is the closest imitation of governmental democracy which could exist among high school students. The system adopted at Campion gives the students an appreciation of representation, and of the right and privilege of voting. It not only gives them an opportunity to participate in school legislation but also prepares them for the time when democracy and anarchy, representation and dictatorship are not just words they read, and hear their elders use.

Four students from each year, sophomore, junior, and senior make up the governing body of the conclave. The twelve officers are elected by their respective class mates for a period-term of one semester and are eligible for re-election the following semester.

Choir

Always an organization of renown at Campion and over the air, the choir again rang the bell for a job well done. The first semester heard the choir only in the campus chapel but after Christmas, under the very able hands of Mr. J. F. Snyder, S.J., the choir branched out over the airwaves. A Passion Week broadcast—"The Seven Last Words of Christ" by Theodore du Bois—was put on over KDTH. Solos were handled nicely by John Rhomberg, James Radtke, and Brit Rinehart.

Debaters

To the Bellarmine Society, Campion's doughty debaters, goes the credit and honor of the first Catholic State Championship ever won by Campion. In only its second year of existence, the society has out-distanced other Campus organizations in no uncertain fashion. Debates, both decision and non-decision, with Aquinas, Richland Center, McDonell, and Waukon, helped sharpen the Bellarmine lance. After losing out in the Wisconsin State Tournament at Madison in February, the Campion disputants recovered in time to take the meet at Milwaukee. Bill Sullivan and Ed Weber did the honors.

FATHERS' CLUB

Mr. John J. Downes
President

Reading left to right; **front row:** Wm. E. Russell, John J. Downes, Joseph E. Mertes, Paul E. Lawler. **Rear row:** Patrick E. Becker, Louis Kopinski, Peter L. Fox, Frank M. Kraman.

Foremost in the remarkable progress of Campion during recent years has been the Campion Fathers Club of Chicago. Ably guided this year by Mr. John J. Downes, it again played an important role in the school's welfare. During the school year meetings were held each month with the exception of December and May. Other officers of the current year were vice-presidents William E. Russell, Joseph E. Mertes, Dr. Paul Lawler, Patrick E. Becker, Peter L. Fox, Frank Kraman, secretary Mr. Leo F. Sweeney, chairman, executive committee Louis Kopinski, and chairman, entertainment committee, Edward T. LeFevour.

MOTHERS' CLUB

Mrs. Peter L. Fox
President

Working side by side with the Fathers Club, the Mothers' Club purposes to acquaint parents with the aims, policies, and traditions of Campion. Under the leadership of Mrs. Peter L. Fox this year's program was carried out with singular success. The board of directors of the club included Mrs. Peter L. Fox, president, Mesdames J. R. Cagney, Edward J. Donnellan, Patrick E. Becker, Vern Holzhall, Joseph J. Hackett, A. A. Schubert, L. A. McGarrity, George W. Lennon.

Pepsi Cola Scholarship: Robert Rufflo, James Williamson, Thomas Zuber, Paul Sauer

One of the most pathetic of aberrations is the phenomenon of one who does not feel the need of picking up lost sleep in class, free reading in study hall, skipping home work, and the other points of a normal student's life. "But to each his due reward." It takes a lot of gumption to keep driving hard at the books when you could just relax and get by. It's much easier to sit back and watch the study hall clock creep around to free reading. School time is a time to work. These boys have seen their duty and done it, whether hard or long or boring. They write their exams, we execute ours, or so we are told. They do their homework, and we studiously copy it. In the words of Winston Churchill, "Never have so many owed so much to so few" — and for this reason we set aside this section in their memory.

The Monogram club is the organization of varsity lettermen. It is possible to become a member only through participation in any of the three major sports, football, basketball, and track. Membership in the monogram club is the symbol of true school spirit, that distinctive Campion determination.

Several times a year, the club sponsors programs and movies to procure funds to provide the letters and sweaters its members have merited. Its members act as ushers at productions in the auditorium and gymnasium. They also act as officials at track meets and as student military police.

Campion Knight

Probably the greatest memorial to the departing seniors is the Campion Knight, which reflects not only the achievements of the seniors, but of the entire school. James P. Hessburg, as editor-in-chief, directed the activities of a willing and alert staff. Two junior classmen, Robert Merkle and Lee Bachle, were invaluable with their Speed Graphics. Anthony Sullivan was the senior photographer. To Robert Kishler for his unflagging zeal in caring for multifarious details the Knight owes a debt of thanks. The generous spirit manifested by the staff made the editor's task lighter.

Twice every month Campion's newspaper, THE CAMPIONETTE, appears on the campus. While The 'Ette makes no pretensions to metropolitan influence or fame, the clamor that goes up when it is late is sufficient proof of its popularity. Dave Keeney as editor-in-chief steered the paper through its year long run. John Vogel served as news editor. The Campionette wore a new format on its first appearance last September. Apparently the readers like the new stream-lined version if their praise is to be any gauge. We would be remiss, in speaking of the staff, were we to omit mention of the circulation group under the tutelage of Gene Walker and Joe Yott.

CONCERT BAND

Under the able direction of Professor S. S. de Ranitz, the concert band this year fulfilled its primary objective which is to provide music of high caliber. By doing so, it has proved itself an essential organization at Campion.

The concert band performed for all important school activities and presented several concerts. Most noteworthy of these was the band's special concert presented at Homecoming entitled "Gay Nineties" which was accepted with overwhelming approval by the students and the many visitors who attended.

KVOX

KVOX, commonly called the "Voice of Campion," has as its aim, through the presentation of radio plays, the training of its members in radio technique.

This year, under the direction of Mr. A. J. Brenner, S. J., KVOX has more than proved its worth by the superb enactment of the play: "A Little Child Shall Lead Them" at Thanksgiving.

Hobby Shop

The most popular of all hobbies at Campion are photography and model making. Campion provides facilities for enjoying both.

For the flash bulb fanatics there are opportunities to get shots printed in either the Campionette or Campion Knight plus a developing room with complete paraphernalia plus the ever present old timers who are always ready for a tip.

Then for the students who like to build their ideas in miniature, there is the Hobby Shop, where a boy can compete with other modelers, swap ideas with them, and get a bit of free advice when it is needed.

The Junior Division Sodality is under the supervision of Rev. A. J. Deeman, S.J.

It is directed by three student officers, who control the four committees of which it is comprised: the Eucharistic, Our Lady's, Catholic Leadership, and Catholic Literature, each of which has its special function.

With intent of developing good Catholic speakers, the Sodality forum has been inaugurated this year. The chairman of each committee selects his best speakers who talk before the whole assembly on topics of Catholic action and other important subjects. Thus the Sodality is forming better Catholic speakers and better informed Catholic men.

CONTAINED herein are photographs of typical campus scenes intended to present a favorable picture of campus life. This is not always accomplished. Occasionally a photograph sneaks by, despite careful weeding, that misrepresents the Campion boy. He may resemble a hyena or a calloused lifer. Bear with us when we say the Campion boy is neither of these. He is a gentle, affectionate animal little given to rowdyism. He is a model student at all times, and would be shocked at the mere thought of flunking. He is ever on friendly terms with his teachers and is unquestionably honest in exams. He displays breeding and culture in the presence of ladies. He is a sport, applauding the opposing team with a hearty cheer for the ref when his team loses.
